

Ranvet's DERMAGUARD MEDICATED WASH

TOPICAL PREPARATIONS

MEDICATED, ANTI-BACTERIAL WASH FOR HORSES, CAMELS AND DOGS.

ACTIVE CONSTITUENTS (PER L)
Melaleuca oil 10mL

Features

- Powerful anti-bacterial activity.
- Strong astringent and germicidal action.
- No added pharmaceutical drugs.
- All natural ingredients.

Benefits

- Addresses a wide range of bacterial and fungal skin conditions.
- Protects skin wounds whilst simultaneously encouraging healing.
- Able to be used in conjunction with Ranvet White Healer Cream to control fungal infections in horses and camels.
- Non-toxic.

DIRECTIONS FOR USE/CONTRAINDICATIONS

Apply liberally. Leave on for several minutes before rinsing off with water and repeat as required. For focal areas of infection, massage a small amount onto the affected area and leave for several minutes to allow maximum germicidal action. Rinse off with water and dry the area thoroughly.

PACK SIZE(S)
5L; 500mL spray pump bottle.
